

REMOVED APPLICANT REQUEST FOR RECONSIDERATION (MULTIPLE APPLICATIONS)

Under title 2, section 60844, subdivision (a)(1) of the California Code of Regulations, submitting more than one application during either Phase I or Phase II of the application process is grounds for removing an applicant from the applicant pool. Therefore, you can no longer be considered for selection to the commission.

If you believe there are compelling circumstances that justify reversal of this determination, you may seek reconsideration. To request reconsideration, you must complete this form and submit it to the Bureau of State Audits within 10 days of receiving this notice. Upon receiving the information provided in the form, we will evaluate your request and notify you as to whether you will be allowed to regain your eligibility for participating in the selection process.

Please provide the following information and submit it to the Bureau of State Audits by e-mail, facsimile, or delivery to the address stated at the bottom of this form. This form must be received by the bureau no later than February 27.

Name: _____ Jay Warren _____

Explanation of compelling circumstances: _____ Sir, I just received your email stating that I am not eligible to continue the application process for the Redistricting Commission because of double applications. When I first applied, for some reason unknown to me, my application went in under my current email address and my old email address. I addressed this immediately to the staff who sent the notice that stated that my application(s) were accepted when I saw the two different applications. I did not know how to stop it or change it. I have the email to prove that I told somebody in this application processing that these applications somehow ended up from two separate addresses.

I did not hear from the people who sent the emails. I did not know that there was something wrong until I received this email.

Today is 3 Mar 10. I just opened my email, so this is the first I have read that there was something wrong with my application.

I did not apply twice; my old service and my current service did something that made it seem that way. I told your staff about this. I was not trying to apply twice.

I affirm, by signing or typing my name below, that the statements contained in this Request For Reconsideration are true and correct to the best of my knowledge.

Signature or typed name: _____ Jay Warren _____
